FEATURES

144Hz Game Ready

Thanks to the high refresh rate and adaptive-sync support, our gaming experience becomes completely smooth and free from interruptions.

IPS Grade Panel

Instantly optimize the screen colors and brightness to ensure that you enjoy every detail at its best while creating your own on-line video

EyesErgo

An eye care solution designed with ergonomics in mind.

Anti-Flicker technology

MSI Anti-Flicker technology provides a very comfortable viewing experience by reducing the amount of screen flicker.

Less Blue Light

Effectively reduce blue light which could cause serious long-term damage to your eyes.

Eye-Q Check

Help have self-check eyes & remind to take a rest while using the monitor for a long time.

VESA Mountable

To be mounted on the wall of your office & home with a VESA standard design which can make it completely invisible on a desk.

Accessory Slot Design

Enjoy a clean table with the accessory slot design where you can put MSI Pen or Smartphone, and you will not miss important messages anymore.
