Z STARTER KIT (US)

—

The brightest Wi-Fi enabled LED light strip with blended light zones, millions of beautiful colors and whites—**no hub required.**

FEATURES

Easy set up. LIFX Z strips plug into the wall then use a sticky adhesive to allow you to place them exactly where you want. Simply download the app, connect to Wi-Fi and you're ready to go.

Built in Wi-Fi & LIFX Cloud. Offers full lighting control via Wi-Fi and Cloud through our LIFX iOS, Android and Windows 10 apps.

Adjustable and dimmable. Connected lighting for your space, time of day, and mood. Choose from 16 million colors and a full range of warm to cool whites with flexibility to dim the light too. Experience how subtle adjustments in tone and brightness can enhance the comfort of any room.

Custom Zones. Let your imagination run wild with 8 individually addressable color/white zones per meter. Create patterns and custom waveforms to express your creativity.

Fit to length. LIFX Z can be adjusted to your preferred length to ensure the best fit for your home.
