

Earbud headphones with mic

SOCL200

Stay with me  
at night / by the sea / for sunrise / until dawn

Comfortable fit. Earbud headset.

With the precisely engineered 12.2mm audio driver and the stringent tests conducted by our world class acoustic engineers in our Belgium Innovation Lab, SOCL200 provides a crystal-clear and balanced sound quality. SOCL200 also features a secure-fit earbud design, crafted based on extensive ergonomic research, providing you

with ultimate comfortable wearing for continuous and long usage. It sits well in your ears but without completely isolating you from the outside world, allowing ambient awareness. It features a unique design utilising a translucent casing and gradient color cables. 4 colors options available.

#### Product Highlights

12.2mm speaker drivers

Translucent housing  
gradient cable

Secure-fit earbud

Call and music control

#### Small efficient speakers

12.2mm speaker drivers for rich bass and clear sound. TCL earbud headphones ensure an exact fit. Ideal for your listening enjoyment.

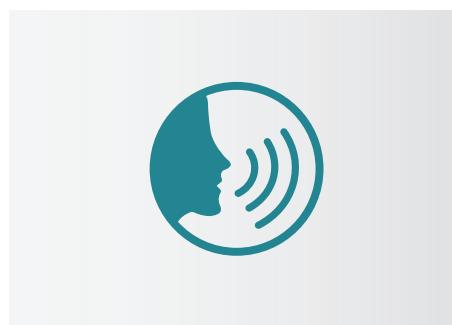

#### Remote with mic for music and calls control

Built-in microphone and easy-to-use remote control allows you to play or pause tracks and answer or reject calls with a simple push of a button.

#### Secure-fit earbud design

For a comfortable, natural fit. So you can keep listening for hours in total comfort.

#### Clear calls echo cancellation

Clear conversations with noise cancelling mic. It filters out background noise for clear calls.

## SOCL200

Earbud headphones with mic

## SPECIFICATIONS
