HD 569

 **SENNHEISER**  
The Pursuit of Perfect Sound

## HD 569

Powered by Sennheiser's proprietary transducer technology for truly excellent sound performance, the closed back HD 569 brings a flexible option to the Home entertainment space. It provides a compact bass, adding further flexibility by making it possible to enjoy the full personal experience without disturbing others. With its full sized circumaural design, the HD 569 offers exceptional wearing comfort thanks to the large ear cups.

- Powered by Sennheiser proprietary drivers, featuring a 38 mm 23 ohm transducer
- Soft, replaceable ear pads for enhanced comfort
- Robust 3m detachable cable and 6.3 mm jack
- Additional 1.2 m detachable cable with 3.5 mm Jack with in line microphone and remote for call & music control
