

HP Travel Power Adapter 65W

Power and portability. Perfected.

The lighter, compact form factor travels easily and still packs the standard 65W power you need. Includes 4.5 to 7.4mm dongle to support new or prior HP models. Perfect for replacing an existing adapter or using as a backup, it comes with a built-in surge protector and regulates power based on your device's needs. Work confidently with a reliable adapter that moves as easily as you do.

Product overview

- **Standard power:** This 65W power adapter delivers the power you need with an HP standard 4.5mm connector and 7.4mm dongle.
- **Lightweight design:** It fits comfortably into your bag without weighing it down.
- **Contemporary look:** The gently-curved corners and compact, square design travel easily.

Product features

- **Adaptable voltage:** Depending on what your device needs, it delivers up to 19.5V and 3.33A of power.
- **Protected from the unexpected:** The built-in surge protector keeps your laptop safe from sudden power changes.
- **Stress-free connector:** The right angle connector reduces cord stress and allows easy access to your other ports.

Compatibility

- HP laptops that support 65W adapter, with 4.5mm or 7.4mm connector
