

OUR WORLD IS ENDED.

俺達の世界わ終わっている。

Masterful storytelling and exceptional production values will mark this as 2019's finest Visual Novel

A Visual Novel that can genuinely square up to the mighty Steins;Gate when it comes to delivering a mind-blowing narrative and high-grade production values. It's what genre fans have been craving – and boy, does this deliver!

For PS4,
Switch

- Set in real-world Asakusa in Tokyo, indie game developers' 'Judgement 7' AR tech goes awry, spilling into and affecting the real world.
- Directed by acclaimed Naoki Morita – the author and planner of the excellent Sakura Wars.
- Stunning character and background art from Eiri Shirai and Cre-P for a uniquely dreamy style.
- A deadbeat, misfit cast of geeks and weirdos round off a truly memorable ensemble.
