Key Highlights

- Laser Distance Measurement up to 1000 yards
- Flag Lock with Vibration
- Magnetic Cart Mount
- Find My Rangefinder Recovery
- GPS Distances for 42,000+ Courses
- True Distance™ Environmental Yardage Adjustments
- AI-Powered Club Recommendations
- Works with the Blue Tees Connected Ecosystem

Product Positioning

Captain Air is the most accessible way to enter the Blue Tees connected golf ecosystem.

As the lightweight, connected entry point in the Blue Tees rangefinder lineup, Captain Air delivers fast laser accuracy with Bluetooth-powered course intelligence. Ideal for golfers upgrading from traditional rangefinders, it provides smarter insights without added complexity.

Category:

Laser Rangefinder

Subcategory:

Connected Distance Measuring Device (DMD)

Part of the Blue Tees Connected Ecosystem

Blue Tees products are designed to work together — connecting practice, play, and performance data across devices and apps.

Captain Air pairs with the **Blue Tees GAME app** to unlock course intelligence, shot tracking, and advanced performance insights. When used alongside other Blue Tees products like Rainmaker launch monitor and Player Pro GPS speaker, golfers can build a fully connected experience that truly carries their insights from practice to the course.

Long Description

Captain Air brings next-generation simplicity to connected golf technology.

Built on the trusted Series 4 platform, Captain Air combines fast, reliable laser distance measurement with Bluetooth connectivity that unlocks a smarter on-course experience. When paired with the Blue Tees GAME app, golfers gain access to front, center, and back GPS yardages across more than 42,000 courses, AI-powered club suggestions, and advanced True Distance™ adjustments that account for slope, wind, elevation, temperature, and humidity.

As part of the Blue Tees connected golf ecosystem, Captain Air works seamlessly alongside the Blue Tees family of devices and apps, helping golfers connect course data, performance insights, and equipment into one unified experience.

With a streamlined ergonomic design, IP65 dust and waterproof protection, and up to 30 rounds of battery life via USB-C recharge, Captain Air delivers essential performance in a lightweight, accessible rangefinder.

Whether it's your first rangefinder or a smart upgrade, Captain Air makes golf easier, smarter, and more connected.

Product Features

Optics

- Red/Black LCD Display
- 6X Magnification
- 1000 Yard Range
- Quick Flag Lock with Vibration
- Brightness Adjustment for All Conditions

Construction

- Tournament-Ready Slope Switch
- IP65 Weatherproof Rating
- Magnetic Cart Mount
- Rechargeable USB-C Battery
- Up to 30 Rounds Battery Life

Intelligence

- Find My Rangefinder Recovery
- GPS Yardages & Hole Data for 42,000+ Courses
- True Distance™ Yardage Adjustments (Slope, Wind, Humidity, Temperature, Elevation)
- AI-Powered Club Recommendations
