

infinitiPRO By Conair®

DigitalAIRE™ Styling Wand with multiple attachments

Description

With a powerful brushless motor, the InfinitiPRO by Conair® DigitalAIRE™ Hot Air Brush delivers 1200 watts of superior drying power without heat damage thanks to ceramic technology that evenly distributes heat.

Four different attachments make it easy for you to totally personalize your look. Use the curling wand attachment to add body and waves to hair, create a soft blowout with gorgeous volume that begins at the roots with the 1 1/4" round brush, smooth and shine hair with the paddle brush, or simply dry and style with the drying nozzle attachment.

Choose from 3 temperature settings (cold, warm, hot) and 2 speed settings (high, low) for customized styling, then hit your hairdo with a shot of cool air to lock it in.

Experience superior drying power and easy styling with this 4-in-1 styling dryer that lets you personalize your look.

Designed with dynamic performance and engineering, this hot air hair styler creates the latest looks from sleek and shiny to classic curls.

Features

Next-Gen Air Performance: Powerful brushless motor delivers 1200 watts of superior drying power.

Ceramic Technology: Provides even heat to eliminate damaging hot spots for healthy-looking, shiny hair.

Customized Styling: Choose from 3 temperature settings (cold, warm, hot) and 2 speed settings (high, low). Use the cool shot function to set your style.

Art of Style: 4 different attachments to personalize your look.

Designed to Be Noticed: Sleek design for elevated styling.

Frizz Defense: Internal ionic generator diffuses conditioning ions to minimize frizz.

Extra-Long Reach: 6 ft. cord gives you more flexibility.

No Damage from Extreme Heat: Extreme heat damage can occur with temperatures above 302°F. This unit has a maximum temperature of 248°F. Damage could vary based on hair condition.

Limited 5-Year Warranty: Built to last and designed for years of dependability and precision.
