INSTEON

INSTEON Open/Close Sensor
Quick Start Guide
INSTEON Open/Close Sensor

Set Button

Status LED

Magnet

AA Battery
(Included)

Set Button
(Cover Removed)

Sensor Placement

1 Peel off the tape backing and mount the sensor and magnet to a window or door.
2 Position the sensor so that the arrows on the magnet and sensor enclosure align and are no more than ½" apart.
Up to ½"

Linking to the Hub

**1** Follow the on-screen instructions to add your Open/Close Sensor to the INSTEON Hub.

If not using the Hub, refer to the instructions that came with your product.

2 When prompted, press and hold the Open/Close Sensor's set button until the status LED begins blinking.

Tap the set button. The status LED will double-blink.

Configure Alerts

To receive email and text message alerts when motion is detected, switch on alerts from device settings within the INSTEON app.
