

WFG550S0H FREESTANDING RANGE

FROZEN BAKE™ TECHNOLOGY

Skip preheating and cook frozen favorites like pizza and lasagna faster* with preprogrammed settings that automatically adjust cooking times for you.

FAN CONVECTION COOKING

Cook meals consistently with a fan in the back of the oven that distributes hot air more efficiently. This helps eliminate cold spots so you can bake on any rack.

CENTER OVAL BURNER

Easily fit large griddles and other longer cookware on this fifth burner so they heat evenly on the range top.
