SUPPORT

Ultra Low-Friction Fabric Surface

Every GX-MP2 has been crafted with an ultra low-friction fabric surface , eliminating any resistance that might prevent you from lining up that perfect headshot or blowing that cooldown. Forget about lifting and repositioning your mouse; drop the sensitivity in your favorite FPS way , way down and experience a new type of freedom and precision only an extended large mouse pad can offer.

ENHANCED Performance

reinforced stitching lines the gaming mouse mat's perimeter to prevent rips , tears , and fraying. Rest assured you'll be gaming with it for years to come. ALL ENHANCE products are back by 3-Year Manufacturers Warranty.
