WHY TROOPER?

- **KEEPS ICE FOR 72 HOURS** — consumers want lightweight coolers to stay cold for more than 18 hours
- **LIGHTWEIGHT** — consumers are looking for a cooler that's portable, lightweight and easy to pack
- **READY FOR ANYTHING** — consumers want coolers for picnics, sporting events, camping, quick getaways, road trips, hunting/fishing trips and more

TROOPER 20

Rugged, lightweight, 20-quart soft-side cooler with solid bottom and frame is perfect for your quick trips.

OtterBox **Trooper 20** is great for a quick getaway or carrying your beer to the lake. Pack up snacks and drinks, grab a blanket and hike up the trail.

Trooper's designed tough with a solid bottom for stability and features an easy-open latch for one-handed use. Also, it's designed with the OtterBox mounting system and comes with an OtterBox Bottle Opener to start your accessory collection.

TROOPER 20 FEATURES

- 20-quart capacity with food-grade interior liner
- Premium grade thermal insulation
- Mounting system: attach accessories to get every job done
- Included accessory: Bottle Opener
- Heavy-duty base protects bottom from abrasion
- 2-inch wide, padded carrying strap
- Durable TPU coated nylon exterior is water, puncture, UV and chemical resistant
- Duraflex hardware including tie-down points
- Foam insulated lid
- Latch opens easily with one hand
- Wiper seal is secured by the compound latch, securing cooler contents and preventing intrusion from water and dust
- Wide opening makes for easy loading and unloading
- Exterior pocket with water resistant zipper provides added storage
- Rated IP-65 — protects against rushing rapids and pounding waves
- Backed by OtterBox Limited Lifetime Warranty

TROOPER LT 30

Rugged soft-side 30-quart cooler with durable straps that switch from backpack to shoulder carry.

OtterBox **Trooper LT 30** fits everywhere you go and everything you do. Change up how you carry it from a shoulder strap to a backpack and bring essential drinks and eats to your favorite spot in the woods, riverside and mountain peak.

It's designed with a wide opening for easy access to contents, and features the OtterBox mounting system. Consider the included Bottle Opener the beginning of your accessory collection.
