Game Description

Final Fantasy XII: The Zodiac Age improves upon the 2006 classic *Final Fantasy XII*, now more beautiful and easier to play than ever. The high-definition remaster introduces several modern advancements, including reconstructed battle design and a revamped job system. With newly implemented trophies and share functions, as well as stark visual and sound improvements in true HD for the first time, players both returning and new to the game will experience a grand adventure that spans the world of Ivalice in an entirely fresh and improved way.

Game Highlights

- Final Fantasy XII* sold over 6 million copies worldwide!
- The game was critically acclaimed, including earning a score of 92 on Metacritic and a perfect score from the Japanese gaming magazine, *Famitsu*.
- Named Game of the Year 2006 by *Edge* magazine.
- The high-definition release introduces several modern advancements, and will be the first time for western audiences to experience the Zodiac Job System.
