For quality-related warranty claims, items will be repaired or replaced with a factory refurbished item which will be subject to Yaber standard of quality. And when the warranty service involves the exchange of the product or of a part, the item replaced becomes Yaber's property.

- Warranties on all repaired products or replacements follow the same warranty time frame of the original defective item.
- Please contact us with the following information for verification.

This website uses cookies to personalize and improve your experience.

- Invoice or receipt, including purchasing platform and date.

- Detailed description of the issue.

If the product is not returned within 30 days after the start of the warranty claim, the warranty application is invalid.

If the warranty service needs to be continued, the warranty application must be renewed. If the warranty period has expired during the reapplication process, services will be handled according to the out-of-warranty policy.

During the warranty period, the seller shall bear the round-trip shipping costs incurred by replacement/repair for non-human-caused quality issues. The seller shall also be liable for any damage to the product sent or returned with a prepaid shipping label. The seller shall not be liable for any damage to the product when returned by the buyer.

Buyer in the Following Situation Will Cover Shipping Costs:

- Warranty claims on items taken outside the original country of purchase.
