

Get Your Wired IP Camera Connected!

STOP:

This add-on wired IP camera **MUST** be added to a compatible Night Owl NVR (Network Video Recorder) via Ethernet cable*. See your Series support page for compatibility.

**For detailed steps
on getting this
camera set up,
please scan the
QR Code.**

<https://scnv.io/QSG-FTN8-CAM>

*Ethernet cable is not included with all models.
Available for purchase on NightOwlSP.com.

Need Help?

Why call? Our 24/7 online support site has it all!

For system manuals, troubleshooting guides, FAQs, video tutorials and more:

- 1 Please visit **Support.NightOwlSP.com**
- 2 Enter **FTN8** into the Search bar.
