

SWAGTRON® SwagCycle Envy

Get your Swag on with the SwagCycle Envy. Whether you're racing down the park, riding with the Envy stowed under your seat on the subway, or just rolling down the sidewalk, the Envy is the bike to have.

The Envy allows you to groove up to 9 miles an hour for a maximum range of up to 10 miles! For those riding at night, the SwagCycle Envy also comes with an automatic low light headlight that automatically lights up at night so that you can ride and rest assured knowing that you're safe.

With a sleek frame and a variety of eyecatching colors, use the SwagCycle to make it the most fun part of your commute.

**STEEL FRAME
PEDAL-FREE**

Rugged Lightweight Frames

The Envy is an electric motorcycle designed with a robust steel frame for lasting durability. 2 foot pegs allow you to rest your feet as you let the motor do the work for you.

See it all from your handlebars

With its backlit display, track down the speed, battery life, and distance of your overall trip. Toggle your motor-ized bicycle's speed measurements if you prefer mph and miles or km/h and kilometers at your very convenience.

Bell
Rear Brake

**SUPPORTS UP TO
264 lbs**

Built to Go Farther

The foldable bike accommodates riders up to 264 lbs/ 120 kg and runs on a rechargeable 37V lithium-ion battery to help you reach up to 9 miles per charge.

AIR-FILLED TIRES
FRONT 12" TIRE
REAR 10" MOTORIZED TIRE

Safer than Ever

As an added safety feature, the rear wheel disc brakes provide rapid deceleration to slow down and help bring your electric motorbike to a stop. Chime the bell to alert pedestrians and other riders of your presence.

Eco-friendly

Air-filled rubber tires begin at 43 PSI/ 3.0 BAR at the front, and 36 PSI/ 2.5 BAR at the rear to absorb uneven roads. The e bike's zero emission motor is completely eco-friendly.
