BONE CONDUCTION BLUETOOTH HEADSET 

Price: \$159.95 USD

Color: Black

## Open-Ear Design, All-Day Comfort

Navigate the dynamic demands of your work environment with crystal-clear calls, stable connectivity, and unrestricted mobility from the Shokz OpenComm2.

Equipped with 7th-generation bone conduction technology and reliable Bluetooth connectivity, the OpenComm2 revolutionizes how you connect on the go.

And with our signature open-ear design, you stay comfortable and in tune with your surroundings while communicating effortlessly. Unlock the true potential of your mobile office with the OpenComm2.

A man with short brown hair and a beard is shown in profile, looking out a window. He is wearing a grey long-sleeved shirt and a black Shokz OpenComm2 open-ear headset. The background is a blurred view of a modern building with large windows.

## Advanced Open-Ear Design

Unlike traditional headsets that cover your ears and cut you off from your surroundings, OpenComm2's open-ear design keeps you connected to the world without compromising on comfort or audio quality.

## Lightweight and Easy

Weighing only 35g, the OpenComm2 is remarkably light and portable.

---

## Effortless Comfort

With a flexible wraparound frame and soft silicone finish, the OpenComm2 delivers easy, effortless, all-day wear.

## Stay Aware Safety Always

The open-ear design allows you to stay aware of the surroundings, whether on the go, in the field or working outdoors. This ensures enhanced safety across diverse work environments.

## Compatible with Personal Protective Equipment

OpenComm2's form factor and wearing style are fully compatible with protective equipment such as earplugs, helmets, and face shields, making it an ideal solution for frontline professionals who require high adaptability.

## Crystal-Clear Calls

Bring conversations to life and take calls with crystal-clear audio, thanks to a noise-canceling microphone with Digital Signal Processing (DSP) technology that brings your voice to center stage. Clear Voice Capture (cVc) technology identifies and balances vocals by filtering out ambient noise for end-to-end high fidelity.

For even more precision, the slim and easily adjustable boom mic can be positioned for optimal voice capture and rotated away when not in use.

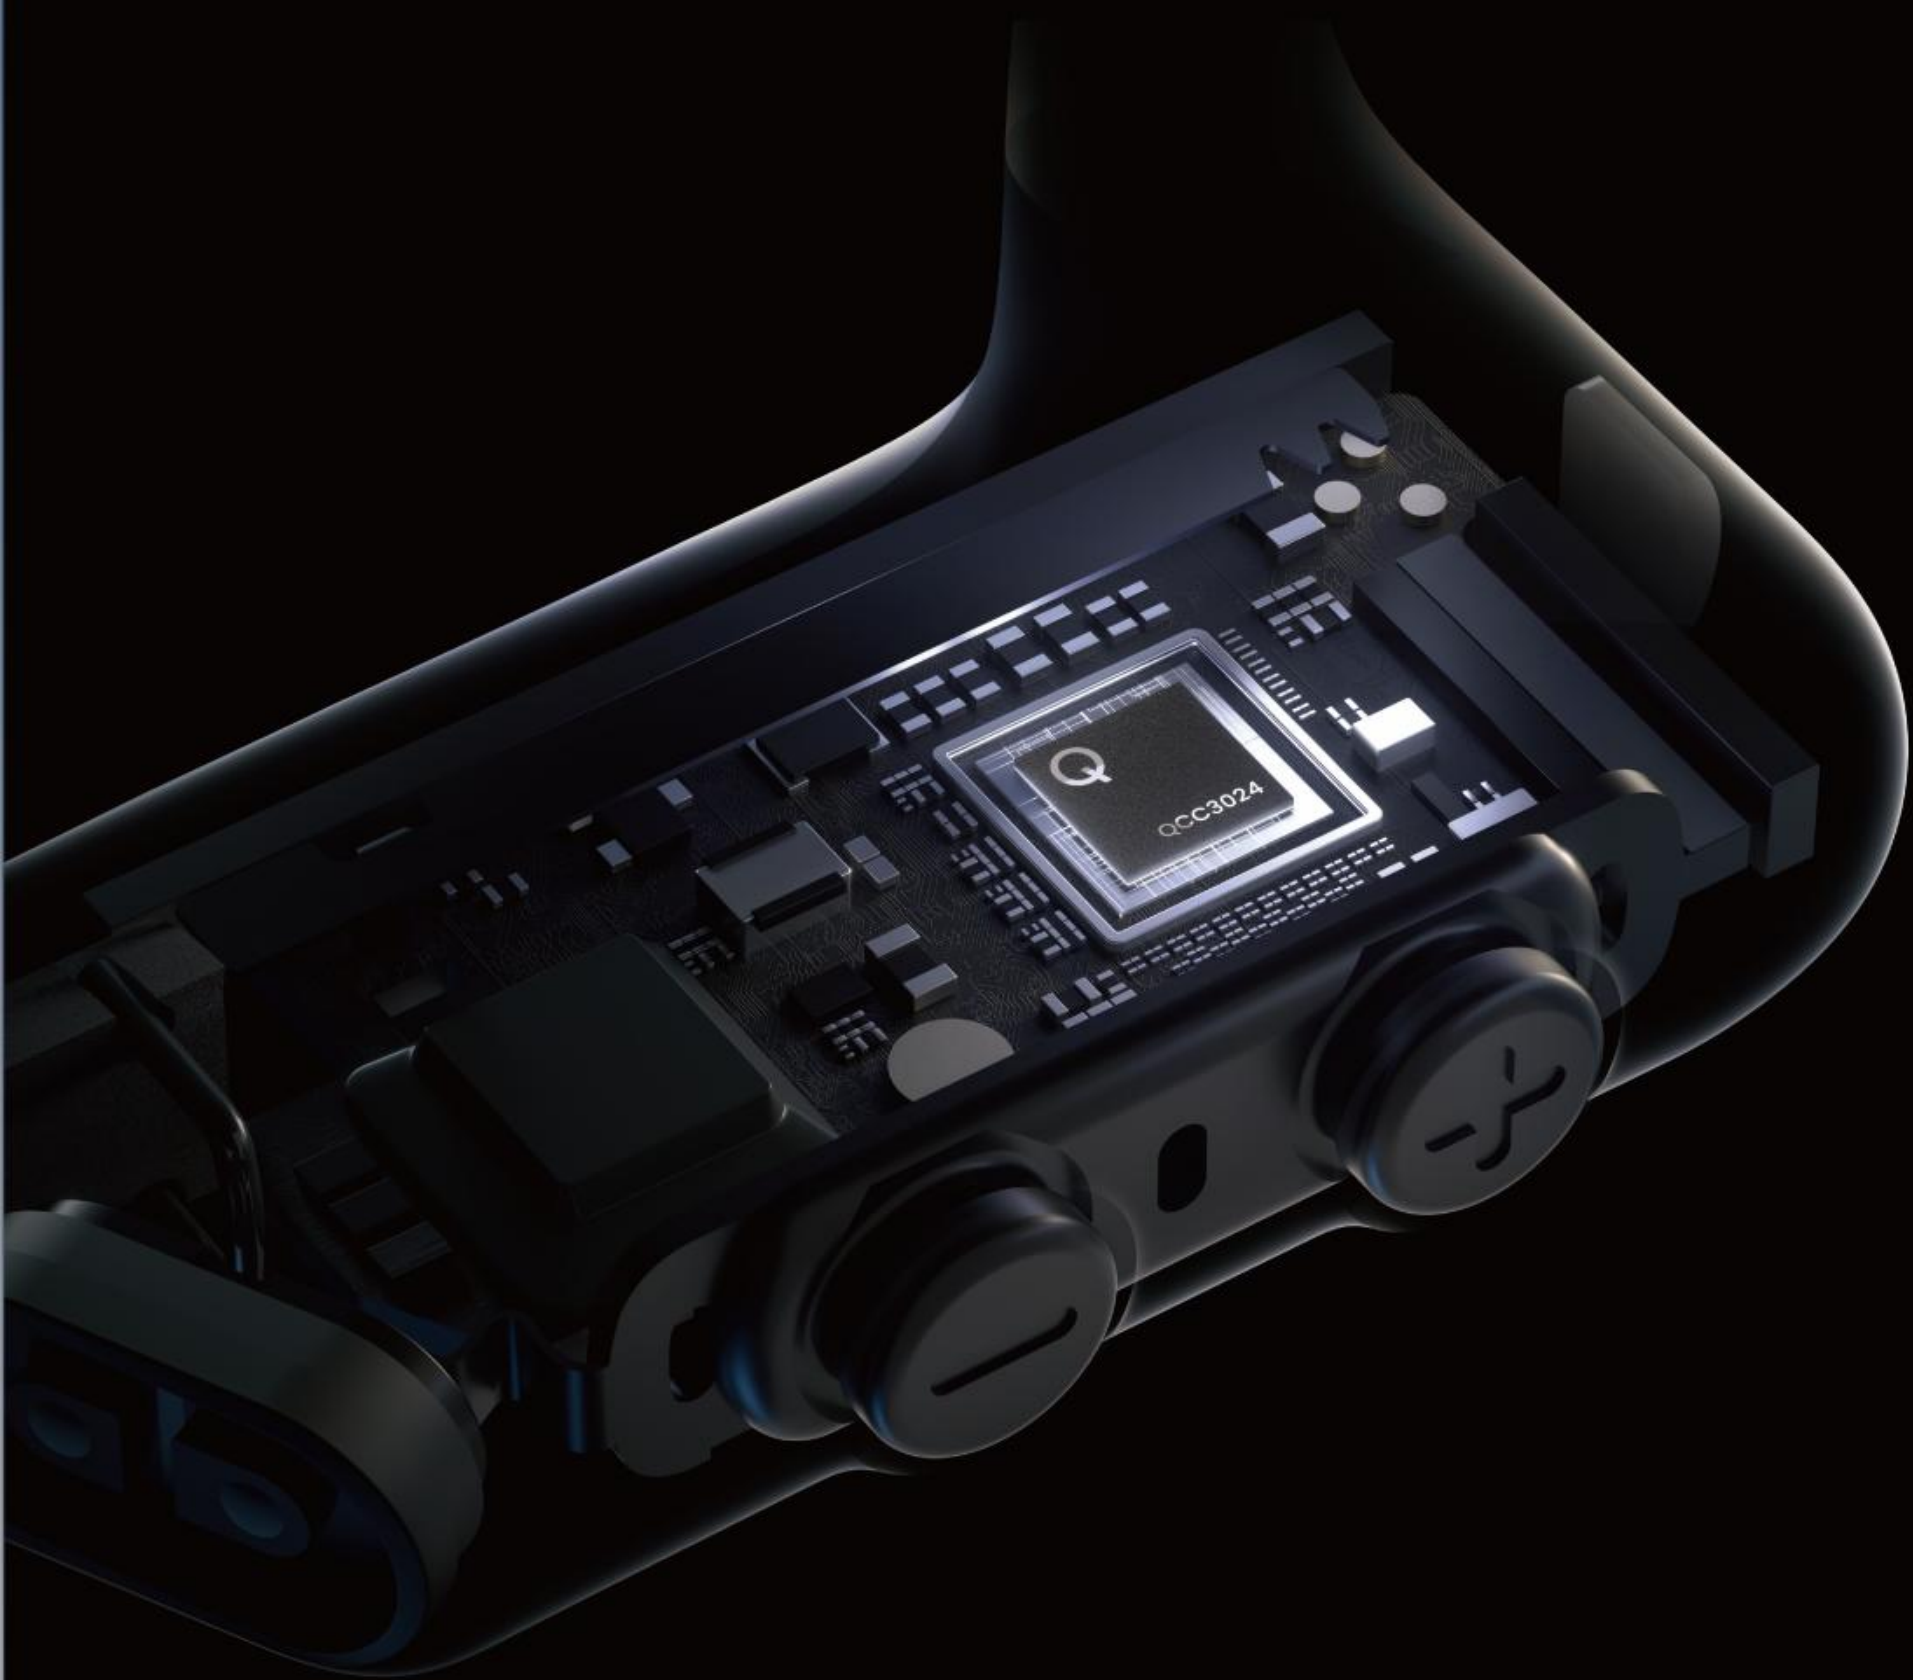

## Outstanding Audio Quality

Never miss a word during important calls with 7th-generation bone conduction technology and PremiumPitch™ 2.0. The OpenComm2 accurately picks up and equalizes medium and high-frequency vocals, ensuring you hear every word distinctly and without distortion.

## Roam Free, Always Connected.

Stay effortlessly connected with the Shokz OpenComm2, thanks to reliable Bluetooth connectivity. With an impressive wireless range of up to 30m/98ft, you can move freely without the need to remove your headset.

Enjoy the freedom to sync with your colleagues, run errands, or walk the dog all while maintaining a secure and uninterrupted connection.

## User-Friendly Integrated Controls

Integrated headset operations reduce the need for additional device controls to simplify functionality. Simply press a button to adjust the volume, mute and unmute during calls, play or pause audio, check the battery level, and more.

## Effortless USB-C Charging

The USB-C port and included cable ensure effortless charging.

SHOKZ

## Charge-Up Fast with Power to Last

High-sensitivity technology delivers long-lasting battery power. Master uninterrupted communication so you can be online anytime, anywhere.
