Meet Galaxy Book3 Pro, the new way to PC

Want to accomplish more tomorrow than you did today?

With so much speed and power, this light, agile laptop can keep up with anything — especially your workload. Knock out a presentation for the big meeting, then pivot to a budget video call with minimal lag.

Pack up our thinnest PC and head out to meet with a client. Turn it into an on-the-go powerhouse when you sync it up with your compatible Galaxy devices. And help keep your private info private with our most advanced security protection available.

Galaxy Book3 Pro — for those who are always moving forward.

Career-accelerating speed

Flex your ambitions with the latest Intel processor that's powerful enough for fast-paced lifestyles.

Refined style. Ready to go.

Pursue your ambitions from anywhere with a thin, lightweight PC that won't slow you down.

A screen like you've never seen

See your ambitions come to life in stunning detail on a crazy-big 3K AMOLED screen.

Our most advanced Galaxy Book security available

Work confidently from any location with our most advanced Galaxy Book security available.
