PRODUCT OVERVIEW

Our iBeam mirror adapters are available in an array of specialized sizes to match your vehicle. Quick, three screw installation allows for easy replacement of universal mirror adapters. Offering a broad range of sizes and configurations, these adapters offer a more aesthetic look than the larger stalk changes used by other aftermarket adapters, and are compatible with iBeam TE-DVR-MM, TE-RM45, TE-BTM45, and TE-CTM45 mirror products.

- Compatible with iBeam TE-DVR-MM, TE-RM45, TE-BTM45, TE-CTM45 mirrors
- Replaces universal adapter on iBeam mirror
- Quick 3 screw installation
