powerful light precisely
where you need it:
vertically, horizontally
and through 360°

5-year warranty,
parts and labor

dyson csys desk

Task Light
Powerful light, precisely where you
need it. High quality illumination
with touch sensitive technology.

dyson lightcycle desk

Intelligent Task Light
Automatically simulates properties
of natural daylight. Designed to
reduce eye strain.

Color temperature

3500k

2700k-6500k

Glare control

Low optical flicker²

Single shadow

3 Axis Glide™

Heat Pipe technology

Precision dimming

Connected (Bluetooth®)³

Intelligent daylight tracking

Auto-adjusts for personalization³

Intelligent light and motion sensor

Precision color tuning

¹LED-life calculation is based on L70 measurement according to IEC 62717, with an estimation of 8 hours' usage per day. Real-life results may vary.
²Tested at full brightness according to IEEE 1789 – 2015 – Recommended Practices for Modulating Current in High-Brightness LEDs for Mitigating Health Risks to Viewers.
³Requires device to run app, Wi-Fi or mobile data, Bluetooth 4.0 support, and iOS version 10 or Android version 5 (or above). Standard data and messaging rates may apply. The Bluetooth® word mark and logos are registered trademarks owned by the Bluetooth SIG, Inc. and any use of such marks by Dyson is under license.
