FEATURES & BENEFITS

Make sure everyone is focused only on your food with a **590-CFM venting system** that removes smoke, grease, odors and moisture from the air.

Adjust your vents to match your cooking techniques with **four-speed fan control** that removes grease, odors and moisture.

Enjoy a fresh-smelling kitchen all the time with a **vertical exhaust** that takes smoke, grease, odors and moisture away from the cooktop.

Clearly watch the progress of preparing your favorite meals with **dual halogen cooktop lighting** that brightly illuminates the cooking surface.

See your way through midnight snacking with a **night light** that softly illuminates the cooktop and surrounding areas.

Keep your clean-up to a minimum with a **removable grease filter** that helps eliminate hand scrubbing.
