

Conair

SteamStylist 3-in-1 Steam, Press, and Iron

Get wrinkle-free clothes and stress-free garment care with 360° Steam & Press Technology.

Steam, press, and iron—all in one! Designed for complete 3-in-1 ease and convenience, the innovative SteamStylist by Conair® takes the wrinkles out of clothes and the stress out of garment care with cutting-edge 360° Steam & Press Technology. Heated ceramic-coated aluminum plates press and iron any garment to perfection with an easy glide. The easy-glide plates lock and unlock at the touch of a button, so you can switch seamlessly from ironing to steaming to pressing. Use it horizontally, vertically, and at any angle for ultra-smooth, versatile styling that leaves clothes looking fresh and perfectly pressed. The normal steam setting is ideal for most garments, and the turbo setting provides supercharged steam to smooth away even the most stubborn wrinkles. The unique shape of the plates reaches hard-to-reach areas with smooth precision. Save time by pressing both sides of a garment at the same time with the heated inside plates. Enjoy dry cleaner-caliber creasing, pressing, and ironing made easy. And because the SteamStylist is so lightweight, with a sleek, stylish profile, it fits easily in most bags for on-the-go convenience.

3-in-1 garment care innovation gives you the power to steam, press, and iron with ease.

New cutting-edge 360° steam and press technology for complete versatility.

Designed to reach all parts of a garment—use horizontally, vertically, and at any angle.

Cut ironing time in half by pressing both sides of your garment at the same time.

The easy-glide, ceramic-coated aluminum plates lock and unlock at the touch of a button, so you can switch seamlessly from ironing to steaming to pressing
