

KANU FAN
SL9066-4-DS

LED DESK LAMP

with Bladeless Fan & 2 USB Ports

- Adjustable Brightness.** The touch-sensitive control panel allows you to choose between 5 brightness levels of your choice.
- Easy on the Eyes.** With its 64 long lasting LEDs, this lamp provides uniform & soft illumination while evenly distributing optimum light with minimal glare and shadows for visual fatigue relief.
- Adjustable Light Temperature (Color).** You can also choose between 3 modes of color temperature (warm/natural/bright light) according to your comfort and lighting needs.
- Eco-friendly.** Energy-efficient and mercury free.
- 3 Stage Bladeless Fan.** The lamp also includes a stylish bladeless fan which has been seamlessly integrated into the base of the lamp. This lamp will circulate a cool stream of air while providing bright illumination. The fan controls are independent from the lamp settings and gives you 3 fan speeds to choose from.
- Two USB Charging Ports.** Two integrated USB ports in the base offers two 2.1 amp ports. Plug in and charge your electronic devices conveniently within your reach.
- Flexible Neck.** The adjustable gooseneck will allow you to direct light in any direction of your choice.
- Long Lifespan.** The 64 ultra bright LEDs have a life span of 35,000 hours.

specs
