Limited Warranty
StreamLabs® Control

This limited warranty contains important information about your rights and obligations, as well as limitations and exclusions that may apply to you.

What does this warranty cover?
Subject to the conditions outlined in this statement, StreamLabs Inc. ("StreamLabs", "we", or "us") warrants to the owner of the real property, that the StreamLabs Control (the "Product"), when used and installed in accordance with the User’s Guide or any instructions provided by StreamLabs, shall be free from defects in materials and workmanship for a period of two (2) years from the original retail purchase date (the "Warranty Period"). Proof of purchase is required to validate the Warranty Period. If proof of purchase is not available, the Warranty Period commencement shall default to the date of manufacture of the Product.

What will StreamLabs do?
If, after inspection, we find that the Product covered by this Limited Warranty has failed due to a defect in materials or workmanship during the Warranty Period, StreamLabs, at its sole discretion, either (a) repair or replace the defective Product or component; or (b) accept the return of the Product and refund the money paid by the original purchaser for the Product. Repair or replacement may be made with a new or refurbished product or components, at StreamLabs’ sole discretion. If the Product or a component incorporated within it is no longer available, StreamLabs may, at StreamLabs’ sole discretion, replace the Product with a similar product of similar function. This shall constitute the sole and exclusive remedy for any defective Product.

Any Product that has either been repaired or replaced under this Limited Warranty shall be considered to be a new Product for the remaining Warranty Period of this Limited Warranty for the longer of (a) ninety (90) days from the date of delivery of the repaired Product or replacement Product, or (b) the remaining Warranty Period. This Limited Warranty is transferable from the original purchaser to subsequent owners, but the Warranty Period will not be extended in duration or expanded in coverage for any such transfer.

How do you make a claim?
Before making a claim under this Limited Warranty, the owner of the Product must (a) notify StreamLabs of the intention to make a claim by visiting support.streamlabswater.com during the Warranty Period and providing a description of the alleged failure, and (b) comply with StreamLabs return shipping instructions provided on the website.

StreamLabs will have no warranty obligations with respect to a returned Product if it determines, in its reasonable discretion after examination of the returned Product, that the Product is an Ineligible Product. StreamLabs will bear all costs of return shipping to owner and will reimburse any shipping costs incurred by the owner, except with respect to any Ineligible Product, for which owner will bear all shipping costs. StreamLabs will not cover shipping costs if the owner decides to return the Product via their own shipping methods.
