The Manscaped Essentials 3.0 Kit

The Manscaped Essentials 3.0 kit makes grooming quick and easy. Featuring The Lawn Mower 3.0 electric trimmer and Crop Preserver anti-chafing ball deodorant. You'll have what you need to trim and deodorize with confidence. Minimize the risk of nicks with Manscaped's SkinSafe technology and keep cool with anti-wetness and moisturizing ingredients with the Crop Preserver. The Essential combination for your below-the-waist grooming routine! The Lawn Mower trimmer blade is recommended to be replaced every three months to ensure your device is both performant and hygienic.
