## AppleCare+ with Theft and Loss Program Summary and Disclosure

Please read this Disclosure to ensure your understanding of how AppleCare+ with Theft and Loss works. You will be provided with plan documents evidencing coverage shortly after purchase.

AppleCare+ with Theft and Loss is an optional device protection program that provides combined benefits under a service contract (AppleCare+) for hardware coverage, technical support, battery depletion, and accidental damage from handling (ADH), and an insurance policy (Theft and Loss) for loss and theft coverage. AppleCare+ with Theft and Loss is subject to certain terms, conditions, and limitations available at [apple.com/legal/applecare/applecareplus/theftandloss](https://apple.com/legal/applecare/applecareplus/theftandloss).

The program also provides coverage for accessories included in your device's original packaging, subject to applicable terms and conditions. Technical support is provided by Apple under AppleCare+ and begins after your product's complimentary support period ends.

If you purchase a Fixed-Term plan, your AppleCare+ benefits and Theft and Loss coverage begin on the plan purchase date and end after 24 months. If you purchase the Monthly Pay plan, your AppleCare+ benefits and Theft and Loss coverage begin on the plan purchase date and continue month-to-month unless cancelled or terminated.

You are not required to enroll in AppleCare+ with Theft and Loss to purchase or finance your new device. You may cancel coverage under either benefit at any time and receive an applicable refund, if any, as described in your AppleCare+ terms and conditions and state-specific insurance documents. We will not cancel coverage for non-payment of premium without providing you with the opportunity to pay within the applicable notice period.

You can cancel AppleCare+ with Theft and Loss at any time in accordance with the plan documents.

## Exclusions

Exclusions under both benefits include:<sup>6</sup> Damage or loss resulting from normal wear and tear, reckless, abusive, willful, dishonest or intentional acts, fire, Acts of God, and device usage outside manufacturer's permitted or intended use; serial number alteration, voluntary parting with the covered device (including inducement to do so by fraud or false pretense), and illegal trade or confiscation by a government authority; use of unauthorized parts and unauthorized service of device; preventative maintenance, cosmetic damage, and pre-existing conditions or defects subject to manufacturer's limited warranty or recall.

FOR YOUR LOST OR STOLEN CLAIM TO BE ELIGIBLE FOR COVERAGE, FIND MY MUST BE SWITCHED ON AT THE TIME THE DEVICE IS LOST OR STOLEN AND MUST REMAIN ENABLED, AND THE DEVICE MUST REMAIN ASSOCIATED WITH YOUR APPLE ID THROUGHOUT THE THEFT OR LOSS CLAIM PROCESS.
