Recovery Knee Sleeve

Sizing Guide

Measure all the way around your thigh, 5" above the knee.

	SMALL/MEDIUM	LARGE/XL
INCHES	15½" - 19"	19" - 22½"
CENTIMETER	39.4 - 48.3	48.3 - 58.4

Compression products work best when they fit snugly. If you are between sizes we always recommend going with the smaller size for the most effectiveness.
