KEY SELLING POINTS

Cord free, truly wireless

Beoplay E8 2.0 are fitted with wireless charging (Qi), making the product truly and totally wireless. E8 2.0 combine a subtle and elegant design you can grab and go with all the convenience of no wires.

Wireless charging pad

Qi wireless devices need only to be set down on a Qi wireless charger for recharging to occur. The device remains unplugged and ready to be picked up and used at any moment. The wireless charging pad will be sold separately.

Bang & Olufsen Signature Sound

Tuned by acclaimed Bang & Olufsen sound engineers for an authentic, powerful sound experience, E8 2.0 are effortlessly high-tech and deliver wireless Bang & Olufsen Signature Sound that will leave your ears wanting more.

Up to 16 hours of playtime with easy recharging on the go

A truly wireless portable solution. E8 2.0's leather carrying case has been designed so you can take E8 2.0 with you everywhere and charge them on the go. The case features wireless charging (Qi), USB-C and holds three full charges.

Premium, leather charge case with a brushed aluminum inlay

The earphones fit perfectly into the case where they are surrounded by a beautiful inlay of brushed anodized aluminium. With a secure magnetic click, they stay in place and will recharge with up to 16 hours of playtime*.

* Up to 4 hours of playtime with an additional three charges from the charging case
