

GS95 - Conair ExtremeSteam Upright Fabric Steamer

Remove wrinkles from garments, upholstery, curtains, and more with the Conair ExtremeSteam Upright Fabric Steamer. Heats up in one minute and steams for up to 60 minutes.

Our 1800 watt upright garment steamer boasts dual heat technology to provide a strong flow of high-powered steam for up to 60 minutes. Heating up in one minute, the concentrated steam in the ExtremeSteam® passes through fabric three times faster than standard garment steamers, delivering fresh results fast. With a telescoping pole, and bristle brush and creaser attachments, this steamer effectively removes wrinkles from garments, upholstery, curtains, slipcovers and more.

- + Dual heat technology provides faster, hotter steam for better results
- + Concentrated steam up to 40 percent hotter than standard 1500 watt upright garment steamers
