

OB24SCD11PB1

Built-in Oven, 24", 3 cu ft, 11 Function, Self-cleaning

Contemporary

A highlight of the Fisher & Paykel kitchen collection, this oven has a generous capacity and complements any kitchen design.

Black glass

Dimensions

Depth	22 1/4"
Height	23 9/16"
Width	23 1/2"

Features & Benefits

Generous capacity

With a generous sized internal cavity, you can create several dishes at once using multiple shelves.

Perfect results

Our built-in ovens feature ActiveVent technology for optimized moisture levels, and AeroTech™ for even heat distribution. Get perfect results even when you're using multiple shelves.

Multi-function flexibility

11 functions including Aero™ Pastry, Roast and Rapid Proof mean no matter what you're cooking, you've got the right heat to match.

Cleaning is simple

The self-clean function breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

Beauty of Choice

As much a multi-function oven as a design component, the black built-in oven enhances your kitchen design without dominating it. It's understated and elegant whether on its own or part of a matching appliance set.

Safe and sound

The CoolTouch door features triple glazing and a cooling system that ensures it's safe to touch from the outside – protecting both your hands and the surrounding cabinetry.

Specifications

Accessories
