

CONAIRMAN®

DUAL VOLTAGE HOME HAIRCUTTING KIT

HC102R

Perfect for haircuts and in-between trims

Put the power to cut hair like a pro in the palm of your hand. This barbershop-caliber clipper comes with everything you need to give yourself the perfect haircut or quick trim at home. Designed with self-sharpening, stainless steel blades and taper control, this men's grooming must-have makes shaping and defining your look easy. Choose from 4 guide combs for the style and length that suits you best. The barber comb and scissors are ideal for finishing touches.

Limited 2-Year Warranty
