PRODUCT NAME	
	RIG 900 MAX HX DUAL WIRELESS GAMING HEADSET WITH DOLBY ATMOS, BLUETOOTH AND BASE STATION FOR XBOX, PLAYSTATION, NINTENDO SWITCH AND PC
BRAND NAME	
	NACON
PRODUCT DESCRIPTION	
	<p>Introducing the 900 PRO MAX, the definitive audio experience for gaming. Command your game audio across Xbox, PlayStation, PC, Nintendo Switch and mobile devices with dual-wireless technology providing both a low-latency 2.4GHz connection and Bluetooth 5.1. Stay connected via a universal wireless adapter designed for console and PC gaming or game on the go with Bluetooth connectivity for mobile devices.</p> <p>The first gaming headset to feature revolutionary Dolby Atmos Personalization technology, the 900 MAX HX fully immerses you in the game world. Scan your head, ears, and shoulders using the Dolby Personalize companion app to create your unique acoustic map for enhanced 3D spatial audio.</p>
FEATURE BULLETS	
	<p><b>DUAL-MODE WIRELESS</b> Command your audio with the versatility of dual-mode wireless on the 900 MAX HX. Low-latency 2.4GHz connection via a base station or wireless USB adapter gives you a competitive edge, while Bluetooth 5.1 connectivity allows you to game on the go. Cycle between Game, Bluetooth, or Dual-Mode, ensuring no interruptions when you are in the zone.</p> <p><b>PERSONALIZED DOLBY ATMOS 3D AUDIO</b> Customize your Dolby Atmos 3D audio experience with the revolutionary Dolby Personalize app. Scanning the shape of your head, ears, and shoulders, the app creates a unique acoustic map to produce a more accurate Dolby Atmos experience tailored just for you. Experience a rich 3D soundscape that provides depth and dimension, allowing you to detect every sound before your opponents.</p> <p><b>PREMIUM COMFORT</b> Engineered with reinforced steel, the 900 MAX HX showcases a lightweight headband, ensuring durability even during intense gaming sessions. Weighing in at just XXX grams (X.X ounces), this ultralightweight headset boasts SNAP-FIT earcups with breathable fabric and a sling headband, providing unmatched comfort for all-day gaming.</p> <p><b>MARATHON GAMING</b></p>

	<p>Never run out of battery mid-game with 50-hour battery life on a 2.4GHz connection and up to 60 hours using Bluetooth. Then, dock the headset and recharge via the base station, ready to go for your next session.</p> <p><b>DEFINITIVE WIRELESS GAMING</b></p> <p>Licensed for Xbox the 900 MAX HX, extends compatibility to PlayStation and PC through its USB-A 2.4GHz wireless adapter. With dual-mode functionality, you can also enjoy Bluetooth connectivity for Nintendo Switch, mobile phones, and portable gaming devices like the Steam Deck. Amplify your mobile gaming experience by pairing it with a Nacon MG-X or MG-X PRO controller.</p> <p><b>ULTIMATE GAME AUDIO</b></p> <p>Powered by high-sensitivity 40mm audio drivers with enhanced bass and a precisely tuned acoustic chamber, the 900 MAX HX is designed to produce accurate audio without fatigue. Experience the advantage and immersion of ultimate game audio.</p> <p><b>WIRELESS GAMING COMPANION</b></p> <p>Bluetooth connectivity unlocks access to the 900 MAX Navigator app on iOS and Android devices. Pairing your headset with a mobile device unlocks advanced customization to personalize your audio experience further. Select pre-set equaliser options for different game genres and music, or completely customize them yourself, adjust mic sensitivity or monitoring levels, and test headset functionality.</p> <p><b>CRYSTAL CLEAR CHAT. INSTANT MUTE.</b></p> <p>Using an omni-directional microphone paired with noise rejection technology, the 900 MAX HX provides crystal clear voice pickup in all gaming environments. Flip-to-mute functionality instantly mutes your voice without needing to interrupt your game.</p>
