USB-C Duo Mobile Device Card Reader/Writer

Card reader On-The-Go

Built with the highest quality aluminum, the IOGEAR tiny size USB-C Duo mobile device card reader acts as a perfect bridge for your data and images transfer between your mobile devices and computers. It supports USB On-The-Go (OTG) technology for your USB-C Android OS mobile devices, where you can simply plug and play without additional app installation. The included soft-gel silicon cover can protect it from the dust during its travel. It can fit in your pocket and make your files transmission easily when you are on the go!

Duo USB, Dual Slot

In addition to your USB-C Android mobile device; the USB-C Duo Mobile Device Card Reader/Write is designed to have widely support on computers that is equipped with USB Type-A ports or the latest adopted technology USB-C (Thunderbolt 3) ports. Whether you have windows PC, MacBook or the Microsoft Surface tablet, you can now transfer your files to SD / Micro SD card on this card reader without worry about the hardware compatibility. The dual card slot design allows you to read and transfer data from the most popular flash memory card format including SD and Micro SD.
