## MORE BANG FOR YOUR BUCK.

With stunning audio, performance, and visuals, the Lenovo™ **IdeaPad™** L340 is impressive from the get-go. It also has an eye-care mode, physical webcam shutter, and rapid recharging technology—all as standard. Whether it's for work, school, home, or on-the-go, this 15"/17" laptop will always have your back.

### WHY YOU SHOULD BUY THE LENOVO IDEAPAD L340

#### Sound you can feel

Built into every **IdeaPad** L340 is the Dolby Audio® speaker system. The result? Rich, clear, and powerful sound for everything from movies to podcasts, and music to games. Wherever you go, you can now enjoy truly immersive audio.

#### Your online privacy matters

The **IdeaPad** L340's HD webcam makes video chats and conference calls a breeze. It also has TrueBlock Privacy Shutter, a switch for you to physically close your webcam to help you're your personal life private.

#### Protecting what matters most

Whether it's for work, entertainment, or homework, too many hours in front of a PC screen can be bad for your eyes. With Lenovo Vantage's Eye Care Mode, you can reduce blue light emission, minimizing the potential of eye strain.

#### Stay mobile for longer

The **IdeaPad** L340 gives you up to 6.5 hours of on-the-go computing, more than enough for your daily commute or binge watching of your favorite TV show. And with RapidCharge technology, you can recharge the battery from 0 to 80% in under an hour and back to 100% in less than two hours.

### REFRESHINGLY FAST & SMOOTH

With up to 8<sup>th</sup> Generation Intel® Core™ i7 processing, the **IdeaPad** L340 performs seamlessly—whatever the task. Along with raising productivity, it's designed for on-the-go entertainment, including online streaming and gaming.
