WHY YOU SHOULD BUY THE LENOVO IDEAPAD L340

Sound you can feel

Built into every **IdeaPad** L340 is the Dolby Audio® speaker system. The result? Rich, clear, and powerful sound for everything from movies to podcasts, and music to games. Wherever you go, you can now enjoy truly immersive audio.

Your online privacy matters

The **IdeaPad** L340's HD webcam makes video chats and conference calls a breeze. It also has TrueBlock Privacy Shutter, a switch for you to physically close your webcam to help you're your personal life private.

Protecting what matters most

Whether it's for work, entertainment, or homework, too many hours in front of a PC screen can be bad for your eyes. With Lenovo Vantage's Eye Care Mode, you can reduce blue light emission, minimizing the potential of eye strain.

Stay mobile for longer

The **IdeaPad** L340 gives you up to 6.5 hours of on-the-go computing, more than enough for your daily commute or binge watching of your favorite TV show. And with RapidCharge technology, you can recharge the battery from 0 to 80% in under an hour and back to 100% in less than two hours.

Lenovo™
