Inner spread

Setting up your Google Nest Wifi

1. ⚡ **Plug in your router**
   Plug the power adapter into the router and a wall outlet. Then connect the router to your modem* with the Ethernet cable (included).

2. ⬇ **Get the Google Home app**
   Download the Google Home app on a compatible phone or tablet

3. ＋ **Set up your device**
   Follow the on-screen steps to finish setup. If you already have Nest devices, tap + to add your router.

* Box from your service provider that brings the internet into your home
