Before using your new product, please read these instructions to prevent any damage.

FEATURES

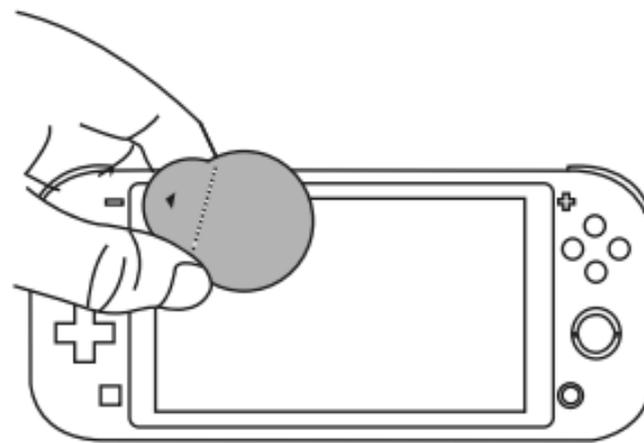

- Impact-resistant glass screen protector with a 9H hardness rating protects your screen from scratches
- Silicone grip gives you access to all buttons and ports while protecting against damage
- Zippered carrying case includes a handle for easy transport
- Accessories pocket stores your earbuds, charging cables, and adapters
- Carrying case flap holds your game cards in place
- Extra large case fits your Switch Lite with the silicone grip attached

ATTACHING YOUR SCREEN PROTECTOR

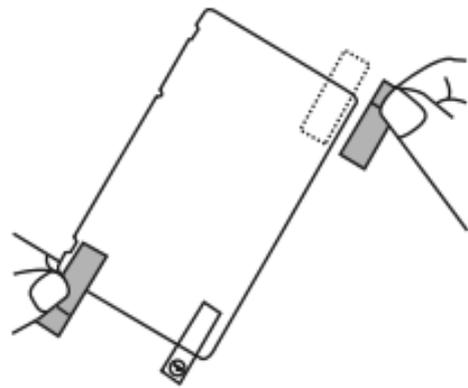

- 1 Remove your Switch's silicone grip (if needed).
- 2 To prevent bubbles, clean your Switch's screen with the wet cloth (1), then remove moisture with the dry cloth (2).

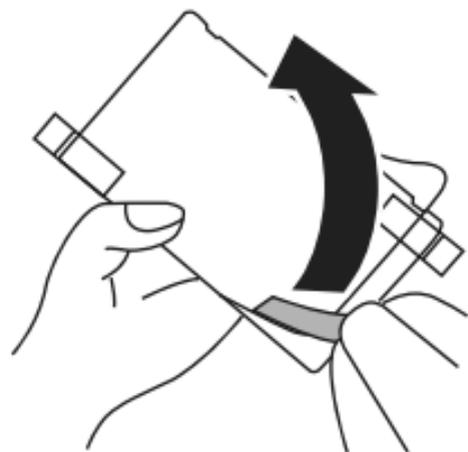

- 3 Press the dust absorber to your Switch's screen repeatedly to clean any remaining debris.

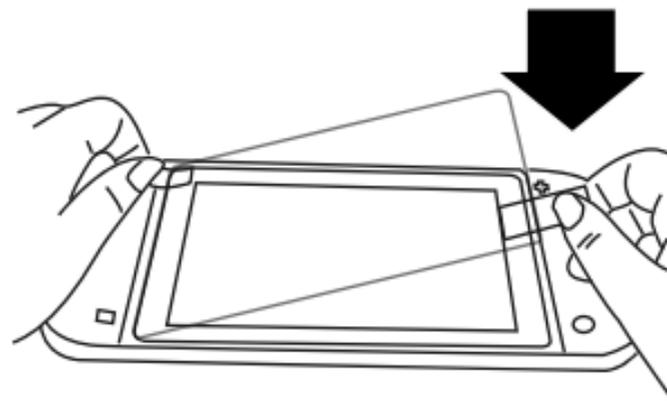

- 4** Stick the two guide stickers onto the lower left and upper right corners of the screen protector.

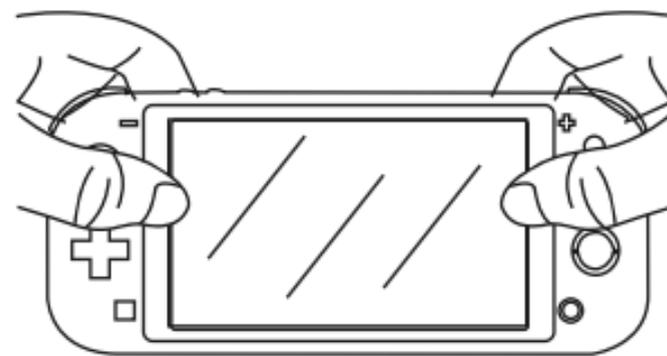

- 5** Use tab 1 to peel the back film off the screen protector, then discard the film.

- 6** Use the two guide stickers to align the screen protector with the edge of your screen, then press it down from left to right to adhere. If the screen protector is not aligned correctly, firmly push the screen protector with your fingers to slide it into place.

- 7** If there are bubbles, press them out toward the edges of the screen protector.

- 8** Remove the guide stickers, then reattach your Switch's silicone grip (if needed).
