

CWC-1500CU

Cuisinart® Private Reserve Wine Cellar with Compressor

This powerful, consistent, cooling compressor wine cellar holds up to 15 bottles of your favorite red, whites and champagnes! It's cooling compressor technology keeps the interior perfectly cool despite room temperature fluctuations. Complete with touchscreen temperature and light controls on the outer door to select your preferred temperature 43°F to 64°F and to turn the wine cellar light on/off. Store your wine in style in this elegant wine cellar with black rubber-coated shelves complete with solid wood trim that will give your collection the showcase it deserves.

- 15 bottle capacity
- Free standing design
- Stainless steel door frame
- Touchscreen controls
- Adjustable temperature control
- LED temperature display
- Beechwood trim racks
- Soft interior lighting
