

Elite Screens' **Manual B Series** is an ultra affordable, high performance, manual pull-down projection screen for use in the home or business. Its integrated mounting solutions allow it to be installed on the wall or ceiling suspended. It is also **GREENGUARD®** certified for safe air quality emissions.

Features

Screen Material

- MaxWhite® B screen material is durable and easy to clean
- 180° wide viewing angle for commercial presentations or residential home cinema
- 4K Ultra HD, Active 3D, and HDR Ready
- Not compatible with Ultra/Short-throw Projectors
- Black backed screen material eliminates light penetration for superior color reproduction
- Standard 4-side black masking borders

Design and Installation

- Dual wall and ceiling installation design
- Slow Retract Mechanism Manual Pull-down Screen - Retracts slowly back into housing after releasing handle without the need to hold on to handle
- Screen lanyard for easy operation included - allows screen's pull down handle to be reached from high areas
- Mounting Kit Included (Wood Screws x 2, Dry wall anchor x 2)
- Optional 6" and 12" L brackets available - **sold separately**
