LONG DESCRIPTION

Ditch the bristles and clean your grill without worries with the Cuisinart 3-in-1 Chainmail Grill Cleaner. Designed for durability and convenience, its dense, tightly knit chainmail mesh effortlessly scrubs away grease and grime, without breaking like larger chainmail designs. Safe for all types of grill grates and griddles (excluding ceramic), this versatile brush is built to make your post-cook cleanup a breeze. Featuring a high-heat resistant sponge core, the grill brush can be used wet for steam-cleaning power that cuts through tough, stuck-on residue—so you can skip the elbow grease and enjoy a spotless grill. The detachable head with a secure locking feature lets you clean with or without the ergonomic handle, perfect for reaching tight spaces or cast-iron cookware or woks. Plus, the handle doubles as a scraper tool, giving you even more cleaning options.
