

CONAIR®

COMPLETECARE™ PROTECTIVE DOOR PRESS PAD

GDPP1

For surface protection while steaming.

Keep doors and walls protected while steaming your clothes with a CompleteCARE™ Protective Door Press Pad. The vertical surface allows you to easily press out tough wrinkles! Use on any flat surface and fold, roll or hang to store.

- Heat resistant pad protects door or wall while using a garment steamer
- Vertical surface to press out tough wrinkles
- Allows you to steam right on the hanger
- Can use on any flat surface
- Fold, roll, or hang when storing

Limited 1-Year Warranty
