For The King is a challenging blend of Strategy, JRPG Combat, and Roguelike elements. Each play through is made unique with procedural maps, quests, and events. Brave the relentless elements, fight the wicked creatures, sail the seas and delve into the dark underworld. None before you have returned from their journey. Will you be the one to put an end to the Chaos?

Fight and die as a party in fast paced and brutal turn-based combat using a unique slot system for attacks and special abilities. Find and gather herbs for your trusty pipe to heal your wounds and cure your maladies. Set up safe camps or brave the horrors that nightfall brings.
