- **ExtremeSteam® Advanced heat technology with powerful dry steam that penetrates heavier fabrics to release wrinkles faster than ironing!**
- **Anti-calcification filter – uses simple tap water.** Reduces calcium buildup in the heater for performance over time
- Dual slotted aluminum soleplate for more steam
- **Innovative multi garment 360° hanger design** allows user to easily queue up all pieces that they need to steam.
- 2 Heat settings for high/low steam with steam pause
- **Extra safety features:**
 - Steam off when nozzle is hung on hanger
 - Auto-shutoff
- Illuminated power / ready button
- **Bonus attachments** 3-in-1 brush, delicates and silicone band plus creaser attachment
- **Kills 99.9% of bacteria**
