

HIGHEST RESOLUTION LOWEST BASS SILENCE EVERYTHING ELSE

Noise-cancelling. Comfortable fit. Wireless.

ELIT400NC comes with superb Active Noise Canceling function for further elevating the listening experience. Without background noise distraction, you can enjoy the original recording with the Hi-Res Audio. The soft memory foam cushions with lightweight design fit naturally match your ear and enable you to enjoy high-quality, long-listening comfort. It offers super long 22 hours play time (18 hours with ANC on), 15 mins fast charging for 4

hours play as well as a wired option, providing continuous music sessions. The slim fold design provides great portability. It come with music and call control and echo cancellation technology for clear conversation over the headset. Best option for travelers. 2 colors options are available.

Product Highlights

High performance sound

Bluetooth 4.2 wireless

40mm speaker drivers deliver precise and powerful sound

22 hours battery play time. 15mins fast charging for 4 hours play

Uncompromising Hi-Res Audio

Offers the best in audio performance, reproducing original studio master recordings more faithful than 16 bit/ 44.1kHz CD formats.

Powerful 40mm speaker drives

Deliver precise detailed and powerful sound. These headphones meet the stringent standards required for the Hi-Res Audio stamp of quality.

* Hi-Res audio capable with additional audio cable

Smart active noise canceling technology

It's particularly good at removing low-frequencies like jet engine noise, so you can enjoy soft music on flights, and in trains and similar places without hearing a distracting buzz in the background.

Comfort fit with memory foam cushion

Soft, breathable ear cushions provide great comfort over long listening sessions.

Slim folding design

Easy to fold and store away, making it your ideal travel companion.

Optional audio cable

The music will never be interrupted even if the battery runs out.

USB charging cable

Included USB charging cable makes it easy to keep your headphones powered up when you need them.

ELIT400NCBL

Wireless active noise canceling over-ear headphones with mic
