

intelliARMOR

LIMITED LIFETIME WARRANTY

What this warranty covers.

intelliARMOR warrants to the original purchaser of intelliARMOR products that the product shall be free of defects in design, assembly, material, or workmanship, and shall be in an undamaged condition at the point of first sale to the original purchaser.

What the period of coverage is.

intelliARMOR warrants this intelliARMOR product for the lifetime of the product.

What will we do to correct problems?

Product Warranty.

intelliARMOR will replace, at its option, any defective product free of charge (except for shipping charges for the product) with an identical or similar intelliARMOR product. intelliARMOR reserves the right to discontinue any of its products without notice, and disclaims any limited warranty to repair or replace any such discontinued products. In the event that intelliARMOR is unable to replace the product with an identical intelliARMOR product (for example, because it has been discontinued), intelliARMOR will offer either a refund or provide a replacement of another product from intelliARMOR.com in an amount equal to the purchase price of the product as evidenced on the original purchase receipt and as discounted by its natural use. For multi-pack purchases, the value is the value of the defective product only, and not the price of the multi-pack.

What is not covered by this warranty?

All above warranties are null and void if the intelliARMOR product is not provided to intelliARMOR for inspection upon intelliARMOR's request at the sole expense of the purchaser, or if intelliARMOR determines that the intelliARMOR product has been improperly installed, altered in any way or tampered with. This limited warranty does not protect against damage caused by vandalism, theft, normal use, wear and tear, improper installation, misuse, accident, erosion, depletion, obsolescence, abuse, damage due to power disturbances (i.e. brownouts or sags), war, terrorism, or acts of God such as flood, fire or earthquake. This limited warranty does not, under any circumstances, cover the replacement or repair cost of any electronic device or personal property inside or outside of the intelliARMOR product.

This limited warranty does not cover products provided to you as replacement products for other products deemed to be replaceable per the terms of this warranty. For the avoidance of doubt, this means that if you purchase an intelliARMOR product, and that product is covered by this limited warranty and is therefore replaced with another product by intelliARMOR, the replacement product is not covered under this warranty or any other warranty, whether implied or express.
