

70W Furrion Aurora™ 2.1 Outdoor Soundbar with Built-in Subwoofer

Elevate your Outdoor Sound Experience.

Specially engineered for outdoor listening, it features an IP45 water resistance and a robust exterior to protect internal components from the elements. With two speakers and an integrated subwoofer, it supports up to 70 W of explosive sound and is ideal for use in open-air settings. Take full control of your audio experience with the waterproof remote control and connect your media effortlessly thanks to Bluetooth, RCA, and digital coaxial input.

Key Benefits

Versatility: Specially designed to work with Furrion Aurora™ 4K LED Outdoor TV, the soundbar comes equipped with Bluetooth® for convenient wireless connectivity

Durability: Durable and outdoor safe, it features an IP45 weatherproof rating and a robust housing that's resistant to snow, dust, insects, and humidity.

Outstanding Sound Quality: With 2 speakers and 1 built-in subwoofer, Furrion Aurora™ 2.1 Outdoor Soundbar supports up to 70W of power for an explosive sound and a dynamic audio experience whether you are watching sport, your favorite TV show, or streaming music.
