Electric Sit Stand Workstation Standing Desk Converter

WORK COMFORTABLY FROM EITHER A SITTING OR
STANDING POSITION

Our electric height adjustment sit-stand desk converter makes transitioning from sitting to standing even easier. The USB ports on the side allow you to charge your phone or tablet right at your fingertips so you can stay charged all day. The large desk top surface has enough space to fit multiple monitors and features a slot to prop your phone or tablet up. Live a healthier lifestyle with the push of a button.

- The integrated USB port allows for an easier connection, right at your fingertips
- Ergonomically placed keyboard tray maximizes comfort while typing
- Adjust the height to adapt to your needs while promoting better posture

HEALTHY LIFESTYLE. Turn your existing desk into a sit stand workspace.

EASY INSTALLATION. Comes pre-assembled. Ready to go out of the box!

DESIGN. Created to look good in any environment.
