Highlights

Control it your way

Connect your Philips Hue lights with the Bridge and start discovering the endless possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add the indoor switches to your system to change your lights. Set timers, notifications, alarms, and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple Homekit and the Google Assistant to allow you to control your lights with your voice.

Requires a Philips Hue bridge

Connect your Philips Hue lights with the Bridge to control your lights from your smart phone or tablet via the Philips Hue app. Or control your Philips Hue lights with the Philips Hue dimmer

indoor switch for on/off and dimming functionalities.

High-quality

The products are made specifically for outdoor use. We are using the highest quality materials to ensure the best performance in the outdoor conditions as well as smart use of materials to optimize radio frequency.

Weather-proof

This Philips Hue outdoor fixture is specially designed for use in outdoor environments and has undergone rigorous tests to ensure its performance. UL Wet Location rated. This means the product is suitable for use in wet locations.

Powerful light

This Philips Hue light possesses a LED light source which illuminates a large portion of your garden. Find the route to your driveway, pathway, front- or back door brightly lit up, all with the comfort of the right light. Never lose track of what is happening around your house with this powerful Philips Hue light.

Smart control, home and away

Light up your outdoors and see what's going on outside. By connecting your outdoor lights with the Hue Bridge you can control them in any way you like. With the Philips Hue outdoor sensor, our indoor remote control options such as the Philips Hue app or using your voice (Amazon Alexa, Apple HomeKit or Google Assistant) you can control your outdoor lights. You can set light schedules to mimic your presence. Control your outdoor lighting from the comfort of your home or from any other location.
