

STXJLPOD Jeep Wrangler JL and Jeep Gladiator JT Front 6.5" Speaker Pod with Tweeter Adapter

FRONT 6.5" SPEAKER POD W/TWEETER ADAPTER

Front Speaker Pods
STXJLPOD

FOR JEEP WRANGLER JL 2018-2022 AND JEEP GLADIATOR JT 2020-2022

Built tough and made specifically for Wrangler and Gladiator, this front speaker pod kit makes it easy to install 6.5" AudioControl or other speakers in your Jeep. This complete package includes pods for mounting 6.5" coaxial or component speakers in the dash of your Wrangler JL or Gladiator JT. Includes speaker harnesses that plug into the Jeep connectors and provide a universal connection for new speakers, along with tweeter adapters allowing easy installation of a tweeter in the factory location.

Designed for Jeep

Designed to withstand harsh outside elements including water, dirt, dust and debris.

Better Performance

Add aftermarket speakers to upgrade your sound system.

Perfect Fit

Engineered to fit Jeep Wrangler JL and Gladiator JT.

Features:

- Fits 2018-2022 Wrangler JL & 2020-2022 Gladiator JT
- Fits most aftermarket 6.5" coaxial or component speakers
- Built from sturdy ASA plastic to resist impact, chemicals, UV light, and extreme temperatures
- Unique 2-piece construction provides durability and reliability ensuring you can play your music for all on-road or off-road adventures
- Includes a pair of mounting plates for easy installation of aftermarket tweeters in the factory dash location
- Includes plug-and-play speaker harnesses to simplify your install
