

World to the West

In World to the West you play as four characters named Lumina the Teslamancer, Knaus the orphan, Miss Teri the mind bender and the gloriously mustachioed strongman, Lord Clonington, each hailing from individual nations and with their unique identities and abilities. Explore untamed jungles, frozen tundras and the mysteries of an ancient prophecy. Be careful though, because nothing is ever what it seems...

Features

- Play as four heroes, each with their own unique identities and abilities
- Uncover strange clues, old secrets and magnificent powers
- Face your enemies head-on, trick them or puzzle your way around them
- Find your way home through the ancient ruins of the world to the west
